BERICHT DES PRÄSIDENTEN

Dear Members and Friends,

Well it looks like it's time to cut the lawn and put down the seed and fertilizer.

On Saturday April 13th, Erika and I attended the Transylvania Club Choir Concert. As usual, we started with a wonderful Schnitzel dinner that was made and served by choir members. The meal was great with a Schnitzel that was so big it hardly fit on the plate. We then got to sit back and enjoy an afternoon of harmony with a total of 4 choirs performing for us. Hats off to TCK Choir President Gerhard Griebenow for arranging another excellent choir concert. Our choir was led by Director Dieter Conrad and assisted by accompanist Andrea von Weyhe. The afternoon ended with a

beautiful multi choir performance that was awesome. Thank you, Gerhard, for the invitation.

On Saturday April 27th, Erika and I had the pleasure of attending the Alpine Club's 66th Gründungsfest. There were approx. 110 people there and we all enjoyed a catered meal that included rolled ribs and chicken followed by Alpine's delicious apple strudel. Alpine Club President Bill Poje introduced all the invited guests and past presidents and then presented their annual charitable donation to Horizon, a part of Family and Children Services.

Then came the highlight of the evening with the crowning of Miss Alpine 2019, Nikki Paul. Congratulations Nikki, we look forward to seeing you through the year at various functions and Oktoberfest. We were musically entertained by Wildbahn for the rest of the evening.

On Saturday May 4th, we hosted our Mitgliederabend and Ballroom graduation. It was a full house with approximately 275 tickets sold! We all enjoyed a wonderful buffet meal put on by Angie's Kitchen that included chicken Schnitzel, roast beef and all the extras. It was followed by some delicious Wildberry Torte. We started the program with an awesome performance by our Kindergruppe under the direction of Rick and Krista Hesch and Heidi-marie Hesch, with help from Ryan Hesch. They danced and sang a song for us to honour all the mothers and grandmothers since we will not be having a Muttertag program this year due to poor attendance in the past few years. Kindergruppe will start again in the fall. Please think about enrolling your children in this fun group on Tuesday nights.

As we usually do at this event, we retire the picture of our Miss Transylvania that has hung on the wall for the past 3 years and this year it was time to retire Mikaila Emrich's picture. Mikaila was presented with her portrait, to take home to proudly display on her own wall. Mackenzie Sharratt's portrait was added to the wall as Miss Transylvania 2019.

This year, the 50th Anniversary of our first ballroom class, we had a large group of 22 ballroom dancers. They performed twice for us and did an amazing job, much to the pleasure of the audience, who cheered them on numerous times. These dancers even had to handle a case of their music malfunctioning during their performance but they handled it well and kept on dancing while the audience hummed and sang the missing music until it came back on. Great job! They were welcomed by Dance Group President Justin Schatz and invited to join the dance group. I hope many of them will accept that offer. These types of groups and performances don't happen without the hard work of someone

taking the time to organize and teach the students and so we must give our heartfelt thanks to Ballroom teachers Hailey Rich and Liam Schatz and their assistants, Amanda Mooser, Mikaila Emrich and Justin Schatz. Some of the past instructors of our ballroom classes were in attendance and it was nice to see how many participants of the very first class were in attendance that night.

Mitgliederabend was a very full program and I thought it was a wonderful and fun evening. I think from the number of positive comments that I received that evening; many people would agree. I would like to thank everyone that came out to make the evening as special as it was, but I need to give a very special thank you to Erika Schmidt for putting the evening together. It was a lot of work; it was a full program and it was a success.

The Hofbrau band will hold their concert on Sunday June 2nd at 2:00 p.m. and will have delicious food available from the kitchen before the concert. This is always a wonderful concert and should not be missed.

Join the members of the Schwaben Club, Hubertus Haus and the Transylvania Club at our joint picnic on June 15th in Mannheim. There will be lunch to purchase, the Hofbrau band will be playing and there will be games for the children. Come out and enjoy the day with your friends and family.

Please consider supporting our fellow Saxons in Aylmer by attending Heimattag at the Saxonia Hall in Aylmer on July 12-14th. Pay for your meal tickets at the club office and if you need a room please contact Erika Schmidt or John Werner.

Please come out and support all our groups and their upcoming events. They need your encouragement and support to give them a purpose to continue doing what they do all year round representing our members and the club.

Mark Saturday November 16th on your calendar as a must attend event for the whole family! More information will follow in the next Blatt.

Hope to see you soon.

CULTURAL GROUP REPORTS

Dear Members and Friends,

The choir's "Chornachmittag" was held on April 13th. The delicious Schnitzel lunch made by the ladies of the choir with some helpful volunteers, followed by the homemade baking and coffee was enjoyed by all. The afternoon's program was wonderful filled with songs in German and English. The four choirs, Germania Hamilton, Harfentoene Toronto, Teutonia Stratford and our own Transylvania Club Choir had us singing along and swaying to the music. The usual mass choir at the end of the program was a harmonious presentation of voices and fun for all. This is always my favourite part. It gives my goosebumps to hear all those voices singing together. "Kein schoener Land" and "So ein Tag, so wunderschön wie heute" were the perfect choice to end the concert with. I thank Gerhard Griebenow and the choir for the invitation and for the wonderful afternoon.

On May 4th, we celebrated Mitgliederabend and Ballroom Graduation with members and friends. I would like to congratulate all those that reached milestones in their membership and received pins. Thank you to the dance group for their help with dessert and coffee. It was an evening of good fellowship and delicious food. Since we did not have Muttertag program this year, we thought it would be appropriate for our Kindergruppe to perform ant Mitgliederabend in honour of their mothers and grandmothers. They were adorable in Tracht as they danced and sang for us.

Ballroom... Can you believe that the first ballroom class at the Transylvania Club was 50 years ago? Now this is not the 50th class because there were some years were, we had to wait to have enough young people that were interested to take the class. Other years we had two classes because after grad-

uating level 1 you could take the advance ballroom course if Mr. Ghosh thought you were good enough. For a few years we even had junior dancers who were a few years younger than the group graduating. Michael Fritsch and Marlene Stolz were the first couple to be chosen, I believe at the age of 12. Over the past years we have had many instructors, but most of us would have been taught by Mr. Ron Ghosh or as we affectionately called him "Slow Slow...Quick Quick". I think we all chuckle when we remember his famous words: Footh together, close holding, look your left, hands no higher than ladies' eyeball, swiebel - swiebel or swivel the buckets girls. Over the past 50 years we have been very lucky to find instructors that have had the patience and knowledge and have done a wonderful job with all graduates. The person who initiated these classes and encouraged the youth to participate 50 years ago was Kaethe Fritsch and we would like to thank her for starting this wonderful program for our youth. The instructors were Ron Ghosh, Kaethe Fritsch, Steve Schatz Jr., Amy Schatz Kube, Christopher Dienesch, Michael Schatz, Tyler Rich, Hailey Rich and Liam Schatz.

We were very fortunate to have so many young people interested in learning Ballroom this year. This year we had youth from the Transylvania Club, and some friends of our youth and members that thought it would be fun to learn to ballroom dance. There are so many opportunities, groups and sports teams available for our young people to participate in these days that things like Ballroom dancing are not high on the list. Sometimes our culture and heritage are forgotten or not emphasized enough and end up at the bottom of the list of things to involve our children in; yet dancing is something that will definitely benefit you in the future whether it is just to socialize, to impress your date or boss or hopefully to join our dance group.

We should be proud of these young men & women who took the time to come to practice every week and are here to show you what they have learned over the past 8 months. Of course, this graduation

class would not be possible if it were not for someone to instruct them. This year's teachers are Hailey Rich and Liam Schatz and their helpers are Justin Schatz, Mikaila Emrich and Amanda Mooser, all graduates of this program. From the first practice, Hailey & Liam infused enthusiasm into this group and with their years of dance knowledge and much patience have brought this group to the level they are today. I would like to thank Hailey, Liam, Amanda, Mikaila and Justin for all their hard work, dedication and volunteer time spent with our Ballroom Graduation Class 2019.

One project that has been in the works for many years finally came to fruition this year for our youth dance group. The search for material for new Dirndls and Lederhosen started 4 or 5 years ago but was unsuccessful and was put on hold for a time. About 2 years ago Heide Emrich and Gee Schatz asked if they could take on the task of finding material and finally getting this project underway. It has been a difficult few years and lots of leg work, frustration and research but we finally found what we were looking for thanks to Claudia Helch and her mother Renate from Nuernburg who searched everywhere for the perfect material, then sent the samples to Heide and Gee for approval and then ordered and shipped the material. Claudia has been here numerous times through the Jugendlager, the Austausch and just visiting friends she has made in our youth group. She will be back this summer, so make sure you thank her when you see her. You cannot miss her; she is the red haired, vivacious young lady who is always willing to help. Then came the task of finding material for the bodice and aprons and all the trim and we thank Maria Schatz and Andrea Emrich for their help with that. Thanks also goes to Mikaila, Amanda and Katelyn who were our Miss Transylvania at the time, for their input and assistance. A big thank you also goes out to Neil Hoffman, who worked with us to get matching Lederhosen, shirts, and socks for the boys and blouses for the girls. All this planning, finding the seamstress, Holly Janssen, ordering Lederhosen,

shirts and blouses and organizing everything could not have been done without the two main ladies in charge. Heide and Gee we thank you from the bottom of our hearts for taking on this difficult task and making sure our youth would look stunning when they represent our club.

The band concert will be held on Sunday, June 2nd and as always will be a musical treat along with delicious food available from the kitchen. I look forward to attending this event and seeing what musical pieces they will present. The theme this year is "Music of the Night". Make sure you come out to support our band!

I hope to see you all at the combined picnic of Transylvania Club, Schwaben Club and Hubertushaus on June 15th in Mannheim. Don't forget to call the office and let them know how many will be attending so that food can be arranged. Our youth group will be selling cake and coffee again for those with a sweet tooth, so please support them and help them raise some funds for new dirndls.

Don't forget about Heimattag on July 12 – 14th in Aylmer. SAXON UP and attend!!

Encourage the young people to join our Saxon Family and keep the roots to our family tree growing strong.

TRANSYLVANIA CHOIR

Like most other German choirs in Ontario we are happy that we can still sing. As they say, it is good for the soul, and the company we are to each other adds to the feeling. We have enough different characters in our choir that practises are never boring. That is a good thing,, because getting ready for our early spring concert does take some work and lots of patience, because January to March are the months when many who can, travel, and many fight the diverse flues, viruses, and infections that accompany the wet and snowy season.

We are very happy that Germania Hamilton, the Harfentöne Toronto, and Teuonia Stratford joined us to share "Bekannte und beliebte Lieder" on April 13. We were also very happy with the strong contingent of guests from our Transylvania Club, Schwaben Club, and Alpine club members, the word of mouth and the promotional efforts of our friends obviously paid off. We were particularly happy to welcome delegations from the Swiss Choir Thames Valley and the Jodelfreunde, our Swiss neighbours from down the road.

Personally, I suspect that some people came because they were lured by the prospect of the best (tastiest, juiciest, and largest) Schnitzel in town masterfully organized by Kriemhild Hensel and her team of volunteers followed by homebaked Kleingebäck prepared by our own members. Our choir members also helped with the serving and the

cleanup, so that the concert could start in good time.

For the concert itself all choirs presented a choice of their best songs for spring, from the opening prayer "Our Father" to the closing Massenchor numbers the program was beautifully varied and well presented.

In all, the choir afternoon felt like one big party among friends, enhanced by some significant birthdays and anniversaries, and some jokes that were presented to shorten a lull on the program.

We sincerely thank all who blessed us with their presence.

The TCK choir is now preparing for the concert afternoon in St. Catharines on June 1st that we will attend with 43 people, and for the Sachsen "Heimattag" in July, and we will try to sing our full concert program at two different retirement homes.

FRAUENVEREIN

Things have slowed down for us, and the next few months will be quieter as we look forward to the summer.

Recently we helped with the set up and décor on the Friday evening before Mitgliederabend, and prepared coffee and tea, and plated dessert at the event on May 4th. It was a lovely evening.

Looking ahead, we have our **Ladies' Christmas dinner** scheduled for **Wednesday, December 4th**, and Frauenball on **Saturday, February 1, 2020**. Mark your calendars for these events, and look for more information in the coming months. Even though these events are months away, we'll begin some initial planning now. If you have any interest in helping in any way, feel free to contact myself or any of the ladies of the Ausschuss.

Enjoy the summer!!

KINDERGRUPPE

CHILDREN'S GROUP

The children of the Kindergruppe finished off the spring session with a Mitgliederabend performance on Saturday, May 4th. The kids were fabulous, performing in Tracht the dances "Bruederchin komm tanz mit mir", Froehlicher Kreis and "Siebenschritt". They also sang an acapella inspired Backe, Backe, Kuchen to the enjoyment of a packed audience. We would like to thank the kids for all their hard work and effort they put forward each night - everyone seemed to be having lots of fun. Thanks again to all the parents/grandparents for bringing out your children/grandchildren and helping in any way. Thank you to the board members of the Transylvania Club for your ongoing support.

Kindergruppe will be starting back up again on Tuesdays in October 29th at the Alpine Club from 6:30pm to 7:30pm and will run until the December 15th Weihnachtsfeier. Please save the date. We are hoping to see lots of new faces. Each night we have lots of fun activities for the kids including: games, crafts, Jr and Sr kids dance group, songs, snacks and much more. Come out and join in the fun, meet new people, develop friendships and learn about the Siebenburger Sachsen/Transylvania Saxon heritage. For more information or to join, please contact Krista or Rick Hesch at hesch@rogers.com or 519-662-4364.
